For any questions regarding the game, including technical issues, contact us at:
dangerapompei@rosey.ch

There is an educational version of the game that allows for smoother navigation, suitable for school use (see the educational page on the website **dangerapompei.ch**).

To use the educational version, contact us at the same address, **dangerapompei@rosey.ch**, and you will receive the access code for this version.

You can then enter this access code by using the "**For Schools**" button in the settings of the main menu of the game.
